

**Vascular Solutions, Inc.'s
2009 Declaration of Compliance**

On July 1, 2009, to our knowledge, Vascular Solutions, Inc. is, in all material respects, in compliance with its Code of Business Conduct and Ethics as well as the requirements of California Health and Safety Code, Division 104, Part 14, Chapter 8, Sections 119400-119402 as in effect on July 1, 2009, based on its good faith understanding of the requirements of the statute as it may apply to medical device manufacturers.

Our annual, per individual, limit on gifts, promotional materials, or items or activities that we may give or otherwise provide to an individual California medical or health care professional is \$2,000. Consistent with the California statute, this dollar limit does not include (a) product samples of our medical devices intended for free distribution to patients that are provided to hospitals, medical institutions, or to a health care professional; (b) financial support for continuing medical education forums; (c) financial support for health educational scholarships; or (d) payments made for legitimate professional services provided by a California medical or health care professional consistent with our Code of Business Conduct and Ethics. Consistent with the AdvaMed Code of Ethics on Interactions with Health Care Professionals, this dollar limit also does not include training on the safe and effective uses of our medical devices, including off-site training.
